

## **Info Sheet Newdegate Regional Gathering Saturday 5th – Sunday 6th of August 2017**

As you will be aware, one of the greatest needs we have in church life today is finding ways to stimulate and promote spiritual growth and passion for Jesus in the lives of Christian Men. While some of our church programs connect well with ladies, they can sometimes leave men unsure where they fit. Christian men are hungry to meet with other guys who struggle in their faith and are also wondering about their place and ministry in God's world and Kingdom.

MMC-WA, Newdegate Regional Gathering will be a simple overnight farm camp/gathering Saturday 5th - Sunday 6th August 2017. We are gathering for fellowship, worship and spiritual encouragement. It is a completely free and aimed to bless rural men who are often isolated by distance from men's gatherings. All we are ask is you come with a swag/ tent/bedding and an open heart to connect with God and other men, we will do the rest. It will be a relaxed time, which we believe will be a real blessing for all who attend and a great opportunity to hang out and hear speakers & testimonies from ordinary blokes who serve an extraordinary God.
